Subject Siltronic, Revised EIB Work Plan Comments

Hello Tom.

DEQ reviewed the "Revised Enhanced In-Situ Bioremediation Source Control Work Plan," dated October 20, 2008. A soft copy of our comments letter is attached. In addition, EPA reviewed the document and a copy of their November 20th letter is also provided.

A signed hard copy of DEQ's comment letter will be sent to you via regular mail this week with the EPA letter attached.

DEQ is approving the work plan subject to conditions and with comments detailed in the letter.

Please don't hesitate to contact with questions regarding this e-mail and/or the attachments.
